Dear Mr & Mrs McKeen

1861

Lucy, I they tell me it comes from Phila

an Envelope with a Liberty Bell & the Bible motto: Copy-righted. I need a few hundred, on Shaw Paper as that they could be afforded at a quite low price. Do you know of the Envelope? I could

Jamison has since made.
All looks bright! - joyful.
What an opportunity we

could have some bird or fly
buzz it into Bro Pillsbury's
ear that the reason we did not
call grent meetings for agitation
was because some would have
gone to splitting hairs very wrongly, at
